"Barcom has been a trusted supplier of RF equipment and software for WestRock Visual Displays for over 9 years, and their transACTION software is a flexible and scalable tool that allows us to build our own warehouse applications with ease."

**M. MILLER, WESTROCK**

"Barcom helped make our RF decisions effortless. From testing to final selection, they provided A+ service and are always available to assist. The RF portion of our ERP Implementation went through smoother than any other project I have worked on, thanks to Barcom."

**STEVE B., CREMER**

"Barcom's competency, nationwide availability and service excellence makes them the partner of choice for warehousing hardware for Lanham Associates' ACE Warehousing."

**M. LANHAM, LANHAM ASSOCIATES**
